A three-day event that takes place during ISTEP testing. This program offers an opportunity for those students not participating in testing to visit the IUPUI campus. Students can speak with representatives from academic units, participate in an enrollment presentation, take a tour of campus, and much more! Participating students will receive a letter of attendance to bring back to their high schools.

Schools interested in bringing a group of students must make a reservation by calling 317.278.6520
